MONTAGEANLEITUNG

Hochwertiger Gas-Grill aus Edelstahl
High-end gas grill made out of stainless steel

WILLKOMMEN IN DER FAMILIE

UNSER G32

Herzlichen Glückwunsch zum Kauf von unserem G32 und vielen Dank, dass Du ein Teil der Grill-Revolution wirst. Die besonderen und einzigartigen Eigenschaften dieses High-End Grills lassen jedes Grillerherz höher schlagen. Die gegossenen Edelstahlbrenner bieten Dir immense Power und Langlebigkeit. Damit Du diese Power immer unter Kontrolle hast, kannst Du die Temperatur jedes einzelnen Brenners ganz einfach mit Deinem Smartphone auslesen. Die gesamte Firebox ist aus Edelstahl gefertigt und verspricht ein uneingeschränktes Grillvergnügen bei einfachster Reinigung. Auch der Korpus des G32 ist aus hitzebeständigem, gepulvertem Edelstahl. Für die richtige Beleuchtung sorgen die lichtempfindlichen Full Dome Lights, die nur aufleuchten, wenn Du sie wirklich brauchst. Durch die Otto Wilde App hast Du nicht nur Zugriff auf eine riesige Rezeptdatenbank, Du kannst die Rezepte sogar automatisiert durchlaufen lassen. Zur Kontrolle der Kerntemperatur liegen 4 hochwertige Meatprobes bei. Den G32 haben wir mit Unterstützung der großartigsten Community der Welt gefertigt. Viele Features wurden mit ihrer Hilfe zusammen umgesetzt. Du bist jetzt ein Teil dieser Familie und dafür möchten wir Dir danken. Viel Spaß mit Deinem neuen G32!

Dein Otto Wilde Team

OUR G32

Congratulations on your purchase of your G32 and thank you for becoming a part of the grill revolution. The special and unique characteristics of this high-end grill makes every grillers heart beat faster. The cast stainless steel burners offer you immense power and durability. To ensure that you always have this power under control, you can read the temperature of each individual burner easily with your smartphone. The entire firebox is made of stainless steel and promises unlimited grilling pleasure and very easy cleaning. The body of the G32 is also made of heat-resistant, powder-coated stainless steel. The perfect lighting is provided by the light-sensitive full dome lights that only turn on when you really need them. With the Otto Wilde App you not only have access to a huge recipe database, but you can download the recipes and even allow the grill to run through them automatically. For control of the core temperature there are 4 high quality temperature probes. We have developed the G32 with the support of the greatest community in the world. Many features were developed together with their help. You are now a part of this family and we would like to thank you for that. Have fun with your new G32!

Your Otto Wilde Team

LIEFERUMFANG

Hier ist eine Zubehörliste mit Teilen, die zum G32 gehören. Check die Lieferung zur Sicherheit kurz durch und verwende die mitgelieferten Schrauben.

Here is a list of parts that belong to your G32. Quickly check that all the pieces are there and use the screws supplied.

A

47x Schraube M5X12

WAS GUT WÄRE

Ein Buddy, der Dir beim Aufbau hilft und den Du anschließend mit einem saftigen Steak aus dem G32 belohnst.

A buddy who can help you with the setup and who you can rewarded with a delicious meal from your new grill.

Eine Unterlage, die die Beschichtung und das Metall während des Aufbaus vor Kratzern schützt. Du kannst dafür aber auch die Kartons nehmen, mit denen die Artikel verpackt wurde.

A soft surface that protects the coating and metal from scratches during assembly. You may also use the cartons in which the items were packed.

MONTAGE

KORPUS

1

2

3

Lasse die Soft-Close-Mechanismus der Schiene nach Vorne einrasten, um die hinteren beiden Schrauben reinzudrehen.

Snap the soft-close mechanism of the rail forward to tighten the rear two screws.

Hinweis: Montiere zunächst alle Schubladenschienen, bevor Du die Seitenwände montierst. Vorallem, wenn Du Deinen Grill mit zusätzlichen Schubladen bestellt hast.

Note: First fit all the drawer slides before you fit the side panels. Especially if you have ordered your grill with additional drawers.

Nutze eine Unterlage,
die die Beschichtung
und das Metall wäh-
rend des Aufbaus vor
Kratzern schützt.

Use a soft surface that
protects the coating
and metal from scrat-
ches during assembly.

6

C 16 x

4 x

Achte darauf, dass du die Unterlegscheiben wie hier gezeigt auf die Schrauben legst, um eine ordnungsgemäße Befestigung der Rollen zu gewährleisten.

Be sure to place the washers on the screws as shown here in order to ensure proper fastening of the castors.

C

Für den mobilen Einsatz verwendest Du die Befestigungsbohrungen (1) und für die stationäre Installation die Befestigungsbohrungen. (2)

For mobile use these mounting holes (1) and for stationary installation use these mounting holes (2).

Nutze eine Unterlage, die die Beschichtung und das Metall während des Aufbaus vor Kratzern schützt.

Use a soft surface that protects the coating and metal from scratches during assembly.

Diesen Schritt kannst Du überspringen, falls Du Deinen Grill mit Schubladen bestellt hast.

You can skip this step if you ordered your grill with drawers.

B

EINBAU

GASBUDDY

1

EINBAU

GRILL-TOP

1

1 x

Schneide nur die gelben Kabelbinder auf beiden Seiten durch und entferne sie, damit die Leitungen an ihren Platz fallen können.

Cut and remove only the yellow cable ties on either side in order to allow the lines to fall into place.

Nach dem Lösen des Gasverteilers muss der Halter aus seiner Einbauposition entfernt werden.

After loosening the gas distributor, the holder must be removed from its installation position.

Achtung: Achte darauf, dass Du beim Entfernen des gelben Kabelbinders keine Gasleitungen, Kabel oder ähnliches beschädigst.

Attention: be sure not to damage any gas lines, cables or otherwise when removing the yellow cable tie.

Nach dem Lösen des Kabels muss der Halter aus seiner Einbauposition entfernt werden.

After loosening the cable, the holder must be removed from its installation position.

2

Benutze die gelben Griffe, um den Grillaufsatz aus der Verpackung zu heben und ihn in den Korpus einzusetzen.

Use the yellow handles to lift the grill top from its packaging and set it on the core.

Leere den Inhalt des Grillaufsatzes bis auf das Fett-Leitsystem, bevor du ihn montierst!

Empty the grill top of its contents except for the Fat Guide System before installing it!

Um den Brenner zu entfernen, musst du zuerst den Sicherheitsstift entfernen. Wir empfehlen, dabei Handschuhe zu tragen, um Verletzungen zu vermeiden.

In order to remove the burner, you must first remove the safety pin. We recommend wearing gloves for this in order to prevent injury.

Wir empfehlen an dieser Stelle dringend eine dritte Person, die die Kabel und die Gasleitung führt.

We highly recommend a third person at this point to guide the cables and gas line.

Quetschgefahr!
Danger of crushing!

Um den Aufsatz ohne das Risiko einer Beschädigung der Zonensonden zu installieren, empfehlen wir, den Aufsatz wie abgebildet in einem leichten Winkel auf den Korpus zu setzen.

In order to install the top without the risk of damage to the Zone Probes, we recommend placing the top on the core at a slight angle as shown.

Achte darauf, dass das Kabel nicht zwischen zwei harten Oberflächen eingeklemmt wird und wie gezeigt durch die Öffnung geführt wird.

Be sure that the cable is clear from being pinched between two hard surfaces and passes through the opening as shown.

Führe das Kabel durch das Schienen-Aufnahme-Blech, um es vor Beschädigungen zu schützen.

Guide the cable through the rail mounting plate to protect it from damage.

Um den Grill waagrecht einsetzen zu können, musst Du Dir von mindestens einer weiteren Person helfen lassen.

In order to install the grill horizontally, you must have at least one other person help you.

Achte darauf, das Kabel beim Einführen nicht zu verdrehen und vermeide es, das Kabel zu quetschen.

Be careful not to twist the cable when inserting it and avoid squeezing the cable.

3

Ziehe die Schrauben
nur handfest an, um
eine Verformung der
Firebox zu vermeiden.

Only hand-tighten the
screws to avoid deform-
ing the Firebox.

4

Entferne die gelben
Haltegriffe, wenn du
die Firebox eingesetzt
hast.

Remove the yellow
handles when you have
inserted the firebox.

EINBAU

GASZUFUHR

1

Quetschgefahr!
Danger of crushing!

Schließe die
Gaszufuhr an.

Connect the
gas supply line.

EINBAU

FATMANAGEMENTSYSTEM

1

Setze die Fettfangschublade und die Fettfangschale ein.

Insert the drip pan drawer and the drip trays.

Um die Schublade einzubauen, vergewissere dich, dass die Schiene der Schublade mit der Schiene des Kerns übereinstimmt und schiebe die Schublade ganz hinein, öffne sie vollständig und schließe sie wieder.

To install the drawer, be sure that the rail on the drawer is mated with the rail on the core and push the drawer all the way in, open it completely and close it again.

MONTAGE

FUSSLEISTEN

1

Bringe Deinen neuen Grill in Position und befestige die Fußleisten. (Bringe die Fußleisten nicht an, wenn Du planst, den Grill häufig zu bewegen).

Move your new grill into position and be sure to position the caster with the wheel pointing to the center of the grill before lowering the foot and attaching the toe-board.

1 x

EINBAU

BRENNER & ROSTE

1

Platziere die Brenner im Grill. Danach kannst Du die Flame Tamer und Zone Separators an ihren Platz legen.

Place the burners in the grill. Then you can put the Flame Tamer and Zone Separators in place.

Vergiss nicht den Brenner zu entsichern.

Don't forget to secure the burner with the safety pin.

Überprüfe die Schrauben der Flammenbrücke und denke daran, die Sicherheitsstifte nach der Installation wieder in die Brenner einzusetzen.

Double check the flame bridge screws and remember to re-insert the safety pins in the burners after installing.

Um die Bleche des Fett-Leitsystems zu entnehmen, müssen die Schrauben von der Brennerauflage leicht gelöst werden und die Brennerauflage nach oben wegbewegt werden.

To remove the sheets of the Fat Guide System, slightly loosen the screws from the burner support and move the burner support away upwards. the safety pins in the burners after installing.

2

3

Lege die Grillroste an ihren Platz. Vergiss das Wärmerost nicht.

Lay the grill grates into place. Don't forget the warming rack.
